About Dr Kanayo

Dr Kanayo is an experienced educator and educational leader with a passion for improving young people's experiences. Her work bridges academic research and real-world practice, offering fresh perspectives on teaching, learning, assessment, leadership, and student wellbeing.

Beyond her professional expertise, Dr Kanayo shares powerful messages of resilience, faith, hope, and transformation. Drawing from her own lived experiences, including surviving Stevens-Johnson Syndrome and navigating miscarriage, she speaks openly about adversity, women's health and finding purpose through difficult seasons.

Her approach combines vulnerability with expertise, creating spaces where audiences feel encouraged, challenged, and empowered.

Dr Kanayo is also an author, with devotional writings on the YouVersion Bible App reaching a global audience. She enjoys singing and has released original music available on streaming platforms. Dr Kanayo lives in London with her husband and son.
